

## FELINE MUSCULOSKELETAL PAIN INDEX – short form

Please take some time to complete the following questions.

Please mark the circle that best describes your cat's ability to perform the following activities.

### 1. Jump up?

- |                       |                       |                            |                              |                       |
|-----------------------|-----------------------|----------------------------|------------------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/>      | <input type="radio"/>        | <input type="radio"/> |
| Normal                | Not quite normal      | Somewhat worse than normal | Barely, or with great effort | Not at all            |

### 2. Jump up to kitchen-counter height in one try?

- |                       |                       |                            |                              |                       |
|-----------------------|-----------------------|----------------------------|------------------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/>      | <input type="radio"/>        | <input type="radio"/> |
| Normal                | Not quite normal      | Somewhat worse than normal | Barely, or with great effort | Not at all            |

### 3. Jump down (how well and how easily)?

- |                       |                       |                            |                              |                       |
|-----------------------|-----------------------|----------------------------|------------------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/>      | <input type="radio"/>        | <input type="radio"/> |
| Normal                | Not quite normal      | Somewhat worse than normal | Barely, or with great effort | Not at all            |

### 4. Play with toys and/or chase objects?

- |                       |                       |                            |                              |                       |
|-----------------------|-----------------------|----------------------------|------------------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/>      | <input type="radio"/>        | <input type="radio"/> |
| Normal                | Not quite normal      | Somewhat worse than normal | Barely, or with great effort | Not at all            |

### 5. Play and interact with other pets?

- |                       |                       |                            |                              |                       |
|-----------------------|-----------------------|----------------------------|------------------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/>      | <input type="radio"/>        | <input type="radio"/> |
| Normal                | Not quite normal      | Somewhat worse than normal | Barely, or with great effort | Not at all            |

### 6. Get up from a resting position?

- |                       |                       |                            |                              |                       |
|-----------------------|-----------------------|----------------------------|------------------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/>      | <input type="radio"/>        | <input type="radio"/> |
| Normal                | Not quite normal      | Somewhat worse than normal | Barely, or with great effort | Not at all            |

### 7. Lie and/or sit down?

- |                       |                       |                            |                              |                       |
|-----------------------|-----------------------|----------------------------|------------------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/>      | <input type="radio"/>        | <input type="radio"/> |
| Normal                | Not quite normal      | Somewhat worse than normal | Barely, or with great effort | Not at all            |

### 8. Stretch?

- |                       |                       |                            |                              |                       |
|-----------------------|-----------------------|----------------------------|------------------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/>      | <input type="radio"/>        | <input type="radio"/> |
| Normal                | Not quite normal      | Somewhat worse than normal | Barely, or with great effort | Not at all            |

### 9. Groom himself or herself?

- |                       |                       |                            |                              |                       |
|-----------------------|-----------------------|----------------------------|------------------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/>      | <input type="radio"/>        | <input type="radio"/> |
| Normal                | Not quite normal      | Somewhat worse than normal | Barely, or with great effort | Not at all            |
